

**My name is Robert Ferguson. I am a retired federal manager from Austin International Airport. I have 30 years of public safety service experience.**

**In 2011, I started an ice cream truck business in Austin, Texas - Travis County. My company's name is "ICE CREAM 2U".**

**My wife, daughter, and I have lived in Lakeway Tx. for 13 years and in the Austin area for 25 years. I am a firm believer that Travis County has by far, the highest quality of life in Texas! In the spirit of upholding this unique dynamic, I believe that having a "neighborhood ice cream truck" will only increase this quality of life.**

**What began as a street vending business has now grown to youth sports concessions, and ice cream catering for parties, employee appreciations, just about any sized gathering.**

**No event is too small or too big. I've served as few as 10 to as many as 1,000!**
